Subject.

In re the taking over under Government management the Kali Kamba temple in the Mysore city.

LAST REFERENCE:—

Letter No. 151 dated 18th Nov. 1904 from the Deputy Commissioner Mysore district.

1 Kali Kamba temple, a non-muzrai institution, is situated in the Mandi Mohalla, Mysore city. Its devotees are Panchala or goldsmith people, but the Puje is conducted by Brahmans.

2 Certain residents of Mandi Mohalla, Mysore city, petitioned to H.H. the Maharaja stating that owing to disputes, the temple of Kali Kamba in the Mysore city had been ordered to be closed by the City Magistrate, the cessation of Puje therein was unsafe and inauspicious, to the towns-people and praying that orders might be issued to open the temple to enable the devotees to worship the deity.

3 The petition was transferred to this Department for disposal.

5 The petitions were referred to the Deputy Commissioner, Mysore, and that officer has submitted a detailed report thereon. (Flag I + I, (Flag J

6 From the Vernacular records it is observed as follows:—

The Gandhala community,— denotees to the Kali Kamba temple, is divided into 3 sections: (1) Andra or Telagu (2) Dravidas and (3) Karnatakas. The community in a body appear to have managed the affairs of the temple amicably till 1869, when a dispute arose so that it split up into 2 parties: Nos (1) and (2), forming one party, and no (3), forming the other. They resorted to the District court to establish their superior claim and it ended in the appointment of a committee to manage the temple affairs, whose members have all died since. The matter of appointing a fresh committee is pending in that court. (Flag K

7 In the meanwhile, on 26th April 1904, on plea of worship, the opposing elements seem to have come to blows in front of the temple and a criminal Complaint was lodged before the City Magistrate of Mysore. As the District Superintendent of Police apprehended a breach of public peace, should the temple be opened for worship, the City Magistrate ordered that the temple might be locked by the Police, until (Flag L (Flag (Flag N

a decision was produced from a competent Civil Court -

7 Yegaman Narasimhiah and other leading members of the Karnataka party depose before the Amildar that the temple was under their management ever since it was built. They appear to have a decree of a Civil Court in support of their claim. They do not agree to the temple being taken under Government management. It is remarked that they do not seem to come to any terms and have resolved to close the worship of the goddess to the prejudice of the other party.

8 The Telagu and Dravida class who appear to form the major portion of the deviotees have executed a "mutchalika" praying the Government to take the temple under their manage-ment.

(Flag. K.

9 The Sorrounding people are very anxious to open the temple-worship for the general public, as the closing of it is considered ~~as~~ to be ominous and unsafe for the towns-people.

10 The Amildar of the Mysore Taluk, who conducted the enquiry, reports that the temple is not a Inuzrai institution. Owing to its Sanctity, the temple is resorted to by many deviotees, who are said to make fair contributions on Special -

occassions of worship. Some shops are attached to this temple and its income is Rs 8/ per mensem. This sum is said to be sufficient for daily Puje. Should this be insufficient, the leading men of the Telagu and Dravida Community have executed a "mutchalika" to bear any amount that may be required in addition. The Puje is conducted by Brahmans. In the interests of the Public, the Government may take the temple under their management and make necessary arrangements for the proper conduct of Puje therein.

// The Divisional Officer is of opinion that it is inadvisable to close the temple worshipping when a party is willing to maintain it. If the public peace is endangered by the meeting of the opposing parties in the temple, they may be bound over to keep peace under the provision of the Criminal Procedure Code. (Hag. 6

// The Deputy Commissioner ~ States that as there are other communities besides the opposing parties, who are staunch devotees to the Goddess, it seems rather hard upon the general public to close the temple and obstruct worship. That officer recommends that, as the temple (Hag. 7.

has a substantial source of income in the shape of rent, derived from the shops attached thereto, it may be taken ~~over~~ under Government management.

13 The temple is not a mission institution. The City Magistrate has ordered the closing of its door owing to disputes between the parties. It is therefore doubtful whether the Mission Department can interfere in the matter - This seems to be a case for decision by Government in the Judicial Department.

Sir,

In reply to your unofficial file
No. 3409, dated the 13th Instant (22nd) I
have the honor to state that in my opinion
the Government cannot take possession
of the temple & the management as
long as the order of the Magistrate
is in force. If a suit has been filed, the
Plaintiff or Defendants may apply
to the Court to appoint a Receiver
to manage the temple & the worship of

If the suit is filed, the Police Officer
to whom the warrant of attachment
was issued may apply to the Magistrate
to have the worship of the idol conducted

the devotees by the non worship of the

It cannot prevent the Govt from coming in and assuming the management in the ~~public interests~~, ~~of the wider jurisdiction~~, ~~and order a proper management of the~~ ~~endowment~~ of the State.

HN

The Magistrate's order, too, is not absolute, but permits the Archaka to enter the temple and perform the daily puja if the Police think this can be done.

If necessary, the D.C. may, after assuming the management, obtain the Magistrate's order to throw open the temple to public worship, since there will cease to exist any fear of further disturbances under Govt management.

To.

L. Anantasami Rao Esq BA
Secretary to the Government of
Mysore in the Muzrai Department.

Sir,

Adverting to your memo No. 898~ dated 31st August 1904 calling for report regarding the worship of Kalamma's temple at Mundi mohalla in the Mysore city, I have the honor to submit herewith the entire correspondence ending with the Mysore Division Assistant Commissioner's letter (in Original) No. 198 dated 22nd October 1904, stating that there are two parties, of which Andra and Dravida sect of the Panchala form one, and Karnatakas the other. On account of some misunderstanding between the two, a breach of the peace was appre hended as likely, and by the order of the City Magistrate the door of the temple has been locked and sealed. As there are other communities besides these two parties who are devotees to this Goddess, it seems rather hard upon the general public

to close the temple and obstruct worship. There is no one just now to manage the temple since the managers once appointed by the District Court have all died since, and a suit is pending in the said court re the appointment of fresh managers.

The leading men of the 1st party, viz, the Dravida and Telugu section which appears to form the major portion of the devotees have executed a Mutchalika praying the Government to take this temple under their management.

Under these circumstances, I concur with the Division Officer in recommending the taking of this temple under Government management.

The income from the shops attached to this temple is Rs. 8/ per month. This sum is said to be sufficient for the daily puja. Should this be insufficient for the puja, the leading men who have executed Mutchalika (herein enclosed) state that they will pay any amount that may be required in addition.

I therefore request that Government may be pleased to pass such orders as they deem fit.

Sir

With reference to the marginally noted correspondence I have the honor to state that Kalammana Devasthana referred to by the Petitioners is in the Mysore city. Its devotees are Panchala or goldsmith people. Among this class there are three divisions i.e. (1) Andra or Telagu Class (2) Dravidas and (3) Karnatakas. Nos (1) & (2) form one party and no (3) forms another party. Owing to some misunderstanding between them they once resorted to the District Court and obtained an order for

the formation of a committee for
the management of the temple-
Subsequently all the members
of which committee have died.
The matter has again been put
before the District Court where
the subject of appointment of a
new set of members is pending
before that Court. In the mean-
while the Telugu and Canarese
class are desirous of having
the temple management taken
up by Government, which is
objected to by the opposite
Karnataka party. (2) There is a 2
criminal complaint between
the parties pending before the
City Magistrate, who seems to
have ordered the closing up of
the temple to both parties. The
Andhra party and the surrounding
people are very anxious to open
the temple-worship for the general
public, as the closing of the temple
entirely is considered to be unsafe

and mainpooms for the lower people-

3 The District Police superintendent apprehends a breach of public peace, should the temple be now opened-

4 The worship of the Goddess is conducted by a Brahmin & as such, I am of opinion that the worship thereof need not be closed. The unwilling party may be left to the civil Court. Should there be an apprehension of breach of public peace by the meeting of them in the temple, they may be bound over to keep peace under the Criminal Procedure Code.

5- The Karnataka party do not seem to come to any terms and resolved to close the worship of the Goddess to the prejudice of the other party who are willing to bear the cost by themselves.

6. It is no doubt that this temple does not come under

Emperor Institutions - But in the
interest of public, it is inadvisible
to close the temple worshipping
when a party is willing to
maintain it

ಅವರಿಂದ ಸ್ವೀಕರಿಸಿದ ಅರ್ಜಿ

ಮಾನ್ಯರೇ,

ಮೈಸೂರು ನಗರಪಾಲಿಕೆಯ ಸದಸ್ಯರಾಗಿ ನಾನು ಆಯ್ಕೆಯಾಗಿ ಒಂದು ವರ್ಷ ಕಳೆದಿದೆ. ಈ ಅವಧಿಯಲ್ಲಿ ನಾನು ನನ್ನ ವಾರ್ಡಿನ ಅಭಿವೃದ್ಧಿಗಾಗಿ ಸಾಕಷ್ಟು ಶ್ರಮಿಸಿದ್ದೇನೆ. ಆದರೆ ಕೆಲವು ಕಾರಣಗಳಿಂದ ನನ್ನ ವಾರ್ಡಿನ ಅಭಿವೃದ್ಧಿ ಕಾರ್ಯಗಳು ಸಮರ್ಪಕವಾಗಿ ನಡೆಯಲು ಸಾಧ್ಯವಾಗಿಲ್ಲ. ಆದ್ದರಿಂದ ನನ್ನ ವಾರ್ಡಿನ ಅಭಿವೃದ್ಧಿಗಾಗಿ ಮಂಜೂರಾಗಿರುವ ಹಣವನ್ನು ಬಿಡುಗಡೆ ಮಾಡಿಸಿಕೊಡಲು ಕೋರುತ್ತೇನೆ.

ಧನ್ಯವಾದಗಳು.

With reference to petition No: 10 presented by the Karnataka faction of the goldsmiths of Mysore City praying for the possession of the keys of the Kalamma's temple, and which was referred to the undersigned, the leaders of both the Karnataka and Telagu factions were sent for and enquired into. Three proposals were placed before them and they were asked to abide by any one of them till the continuing factions obtain a final decision from the Civil Court in respect of their rights over the temple.

1. The key to be left by each faction after Pooja, in the hands of the Mamool Brahmin Poojari.

2. The key to be left in the possession of the Chamri Station Police after Pooja by each faction.

3. The key to be left with the leader of the Karnataka faction.

The Telagu faction agrees to either of

of the 1st two proposals and not to the last. Whereas the Karnataka factionists ÷ agree to the last and to no other. The advisability of an amicable and peaceful arrangement was urged upon both, but their prejudices are so strong that it was not possible to make them even discuss any thing about this question without resorting to blows. In these circumstances the undersigned does not feel satisfied that the parties will not endanger ÷ public peace if the key of the ÷ temple is handed over to either of them on the strength of any number of ÷ Mundakalikas, until they procure a final decision from a competent Civil Court in the matter.

The petition under reference and that dated 31. 5. 1904 on the same ÷ subject with its enclosures are hereto attached.

the decision of the Court of competent jurisdiction was produced by the successful party.

3. The Telugu Dravida class who appear to form the major portion of the devotees desire that the temple may be taken up under Govt management & have expressed a memorial to that effect. The other residents are also anxious to have the temple opened for public worship, as the closing of the temple is considered ill-omened & unsafe for the town people. But the leading members of the Karnataka party do not agree to the temple being taken under Govt management & claim to the exclusive right of the management of the temple in question.

4. The Amildar of the Mysore Taluk, who conducted an enquiry in the matter, reports that the temple, owing to its sanctity is resorted to by all sorts of devotees who make fair contributions on special occasions; that the temple has an income of Rs 8/-

from the Trustees owned by it;
for maintenance, that the [illegible] College be
sufficient for its daily Pujas but that, would there be a deficiency

institution may therefore be
taken under Govt management.
